Wedding Fees 2018

The cost of a Wedding in our Benefice at present is £650 (*rising to £700 in January 2019*).

This cost includes the wedding service, marriage certificate, preparing and cleaning the church, heating, lighting and the services of a vergers. It also includes the cost of reading of the banns (a legal requirement).

Unfortunately as the Church of England set the fees centrally this may rise slightly each January, but we try to keep to this figure if at all possible.
